The Culture of Excellence Since 1980

ORIGIN was established as a fruit juice brand in 1980 with a commitment to produce the highest quality fruit based drinks in the world. The brand has evolved over the years to include a wide range of fruit based drinks, including juices, smoothies, and flavored waters. The brand's success is a result of its commitment to quality and innovation. ORIGIN has been recognized as a leading brand in the fruit juice industry, and its products are sold in over 100 countries. The brand's success is a testament to its commitment to excellence and its dedication to providing the highest quality products to its customers.

CARE: High Quality

All ORIGIN products are made from the finest quality fruit and are produced in a state-of-the-art facility. The brand's commitment to quality is reflected in its rigorous testing and quality control processes. ORIGIN products are also certified as safe and healthy by leading international organizations. The brand's dedication to quality and safety is a key factor in its success and its ability to provide the highest quality products to its customers.

EXPORTS: We meet the highest demand

ORIGIN products are exported to over 100 countries, including the United States, Canada, Europe, and Australia. The brand's success in international markets is a result of its commitment to quality and its ability to meet the highest demand for fruit based drinks. ORIGIN products are sold in a wide range of sizes and formats, making them a convenient and healthy choice for consumers everywhere. The brand's dedication to quality and safety is a key factor in its success and its ability to provide the highest quality products to its customers.
